The Experts Have Docked at the Liberty Landing Marine Center

JERSEY CITY, NJ. - April, 2010: Liberty Landing Marine Center's Grand Opening celebration kicks off Saturday, April 23rd! Along with raffles, boat rides and other activities, the weekend will feature a series of informative seminars that will give attendees the opportunity to have question and answers with marine industry specialists.

"As the Dockmaster of Liberty Landing Marina, I meet a lot of boaters and most of those boaters have questions about their boats. That is why I am particularly excited about the relaxed Q&A feel that Liberty Landing is lending to the seminars during the Grand Opening. We've asked many of the leaders in our industry to come in and share a bit of their knowledge with our customers. If there is one thing that I've learned in the past 20 years of boating, it's that there is much more to be learned," comments Michelle Boggs.

Speakers include: Tyler Pierce, head rigger of Liberty Landing Marina; Ron TenEyck, Director of Operations for Liberty Landing Marina; Mike Palagano, Engine Tech for Liberty Landing Marina; Steve Leach, Marine Electronics expert for Liberty Landing Marina; Ralph Roth, Fishing Charter Captain; and Ron LaNeve of North Sails. To obtain a full schedule of times and to find out more about the Grand Opening weekend, stop by the Center or call 201-433-3009.

About Liberty Landing Marina:

Liberty Landing Marina, located in Jersey City, New Jersey within Liberty State Park, is a full service marina conveniently situated on the Lower Hudson River. Easily accessible from the New Jersey Turnpike, Liberty Landing Marina offers spectacular views of the Manhattan skyline and the Statue of Liberty. Liberty Landing is home to 520 still water slips that each have electric and water hook ups. Additionally, the Marina supports a large dry docking facility and diesel and gas sales.

Liberty Landing Marine Center is a brand-new facility located in the headquarters building. The Marine store contains: marine apparel, safety equipment, marine supplies, sailing gear, bait and tackle, convenience goods and more.
